# HELLO!

Hello and welcome to the Party Library catalogue.

Wouldn't it be great if you didn't have to choose between doing your bit for the environment and throwing a beautiful party? The Party Library has the solution.

The Party Library is a rental service that allows you to borrow items for your party and then return them once you're finished.

You get to host a gorgeous event, and the party decorations get to be reused again and again instead of being thrown away.

Already have a party date in mind? Be sure to get in touch to check availability. I'll reserve your chosen date for 3 days while you browse the catalogue and choose your supplies.

Have a great party!

# HOW IT WORKS

## STEP 1

Get in touch and  
check availability  
on your date

I'll reserve your date for up to three days while you browse the catalogue and choose your party supplies

## STEP 2

Purchase a  
credits package

Choose the most suitable package for your needs. I offer mini, standard and jumbo packages. Included in each package is a £10 deposit, which will be refunded after the return of the party supplies.

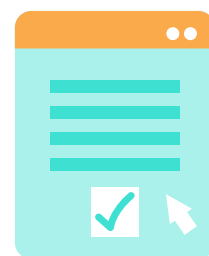

or see p46

## STEP 3

Fill out an  
order form

Once you've emailed over a completed order form, I'll send you a booking confirmation and you'll be good to go.

# RELAX

And wait for  
your party date!

# HOW IT WORKS

In order to reduce waste in running my business, I take bookings and payments online. However, I'm very happy to hand out a paper copy of the catalogue and order form, and take payment in cash if any customers prefer to work this way! Give me a call and I'll be happy to help

The Party Library is in Larbert, and I'll send you the exact pick up address when you book.

The day before your booking, I'll send you a message. This will include all the details for the locker system, including the key code for the lock.

Come any time that suits you, between 6.30am and 9.30pm. I appreciate a quick message once you've got your items safely.

## ***PARTY TIME!***

After the party, simply pack up all the items and return them to the locker at your preferred time. If you can, send me a message to let me know the items have been returned.

Once I've checked that all is in order, I'll return your £10 deposit.

# **NOT-A-BALLOON**

There's something about a massive number on their birthday that my children absolutely love. But I resent the waste and hassle of buying a helium balloon, and hate watching it slowly deflate for the next week or so!

I tried a few ways to give them the joy of a big number balloon, without the waste, before the idea of a fabric "Not-a-Balloon" was born. It gives a similar look to a helium number balloon, but can be reused again and again instead of sent to the bin.
